required at <div style="border: 1px solid black; width: 60px; height: 15px;"></div> ea | | 25X1 |
| 7. Precision electronic counter Model Hewlett
Packard 524C | | |

Total

The above equipment is requested for the checkout of the FCI Programmers. The reason we request this equipment is that we reduced the FCI ground support equipment by approximately To effect this reduction, it makes it necessary for us to conduct some checkout that would normally be provided by the sub.

Very truly yours,

JBL:clm
